Lifeline is a federal benefit; willfully making false statements to obtain the benefit can result in criminal penalties, including fines, imprisonment, de-enrollment, or being barred from the program. **Lifeline service is limited to one benefit per household and is non-transferable.** New customers meeting the program criteria may also be eligible for connection assistance up to \$100.00 under the Link-Up program. You will need to provide us with the exact information you entered on your Lifeline application for: Physical Address, Date of Birth, Last 4 digits of your Social Security Number and Benefit Qualifying Person if applicable. You will also need to provide your USAC Application Approval ID Number.

You are required to notify your service provider within thirty (30) days if you are no longer eligible for Lifeline service for ANY reason, including the following examples: (1) you no longer receive benefits from one or more of the programs specified on the Lifeline application; (2) your household no longer meets the income criteria specified on the Lifeline application; (3) you receive more than one Lifeline benefit; and (4) a member of your household receives a Lifeline benefit.
